- The tender fee non-refundable of **Rs.1000/- (Rupees one thousand only)** should be deposited in the form of demand draft favouring "Director- NRCM" payable at SBI Medziphema branch (code-06759). An earnest money refundable of **Rs. 64,000/- (Rupees Sixty four thousand) only** must be deposited by demand draft as per details given above. The particulars of the earnest money deposited must be superscribed on the top of the envelope by indicating the DD number with date, failing which the Tenders will not be opened. The Tender fee and Earnest money must be deposited separately before last date in person to Administrative Officer or by speed post or may be deposited directly online in the institute bank account favouring "Director-NRCM" A/c. No. 11667721897, SBI, Medziphema Branch, IFS Code-SBIN0006759. The scan copy of the deposit slip must be uploaded in the technical bid section. Tenders without tender fee and earnest money will not be considered. MSME firms claiming exemption from payment of tender fee and Earnest Money(EMD) should submit a copy of certificate from the Competent Govt Authority.
- The tenderer is being permitted to give tenders in considerations of the stipulations on his part that after submitting his tenders, he will not resale from his offer or modify the terms and conditions thereof. If the tender fail to observe and comply with the foregoing stipulation the aforesaid amount of EMD will be forfeited by the institute. In the event of the offer made by the tenderer not being accepted the amount of earnest money deposited by the tenderer will be refunded to him after he has applied for the same, in the manner prescribed by the institute. **An undertaking as per Annexure-X** is also required to be submitted by the tendering firm alongwith the technical bid.
- The Schedules of the Tenders form should be uploaded with online bids. In the event of the space provided on the schedule form being insufficient for the required purpose, additional pages may be added. Each additional page must be numbered consecutively and be signed in full by the Tenderer. In such cases reference to the additional pages must be made in the Tenders form. If any modification of the schedule is considered necessary it should be communicated by means of a separate letter alongwith the Tender document highlighting where the modification is required. Any overwriting/erasing in rates quoted in the tender shall lead to rejection of tender summarily.
- The tenders are liable to be ignored if complete information as required is not given therein or if the particular asked for in the schedules to the tenders is not duly filled in. Individual signing in the tenders or other documents connected with the contract may specify whether he signs in the capacity of (i) a sole proprietor of the firm or constituent attorney of

such sole proprietor, or (ii) a partner of the firm if it be partnership in which case he must have authority to refer to arbitration disputes concerning the business of disputes by virtue of the partnership agreement or power of attorney or (iii) constituted attorney of the firm if it is a company.

6. **If the selected tenderer does not accept the offer, after issue of letter of award by the institute within 15 days, the offer made shall be deemed to be withdrawn without any notice and earnest money forfeited.**
7. In case of partnership firms, where no authority has been given to any partner to execute the contract/agreement concerning the business of the partnership, the tenders and all other related documents must be signed by every partner of the firm. A person signing the tenders form or any other documents forming part of the contract on behalf of another shall be deemed to warranty that he has authority to bind such other and if, on enquiry it appears that the persons so signing had no authority to do so, the Institute shall without prejudice to other civil and criminal remedies cancel the contract and hold the signatory liable for all costs and damages. Each page of the tenders and the schedules to the tenders and annexure, if any, should be signed by the tenderer.
8. Online tenders are invited under two bid system through e-procurement system. Tender Fee and EMD must be deposited with the Administrative Officer during working hours on all working days before the last date and time. Tender fee and EMD sent by speed post must reach before the last date and time ie **2:30 PM of 04.12.2017**.

Special Instructions to the Contractors/Bidders for the e-submission of the bids online through this e-Procurement Portal

1. Bidder should do Online Enrolment in this Portal using the option Click Here to Enroll available in the Home Page. Then the Digital Signature enrollment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as eMudhraCA/GNFC/IDRBT/MtnlTrustline/SafeScript/TCS.
2. Bidder then logs into the portal giving user id / password chosen during enrollment.
3. The e-token that is registered should be used by the bidder and should not be misused by others.
4. DSC once mapped to an account cannot be remapped to any other account. It can only be Inactivated.
5. The Bidders can update well in advance, the documents such as certificates, purchase order details etc., under **My Documents** option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.
6. After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document, otherwise, the bid will be rejected.
7. The BOQ template must not be modified/replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be rejected for that tender. Bidders are allowed to enter the Bidder Name and Values only.
8. If there are any clarifications, this may be obtained online through the eProcurement Portal, or through the contact details given in the tender document. Bidder should take into account of the corrigendum published before submitting the bids online.
9. Bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together.
10. Bidder should arrange for the EMD as specified in the tender. The original should be posted/couriered/given in person to the Tender Inviting Authority, within the bid submission date and time for the tender.
11. The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids
12. The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.
13. There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.
14. It is important to note that, **the bidder has to Click on the Freeze Bid Button, to ensure that he/she completes the Bid Submission Process. Bids Which are not Frozen are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.**

15. In case of Offline payments, the details of the Earnest Money Deposit(EMD) document submitted physically to the Department and the scanned copies furnished at the time of bid submission online should be the same otherwise the Tender will be summarily rejected
16. The **Tender Inviting Authority (TIA)** will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.
17. The bidder may submit the bid documents online mode only, through this portal. Offline documents will not be handled through this system.
18. At the time of freezing the bid, the eProcurement system will give a successful bid updation message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
19. After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
20. Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
21. The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected
22. The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.
23. All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized individual.
24. During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer(SSL) with 256 bit encryption technology. Data encryption of sensitive fields is also done.
25. The bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time (**as per Server System Clock**).
